Dear Vendor:

Before we know it, the 35th Annual Smithfield Ham & Yam Festival, scheduled for May 4, 2019, will be here. With our fingers crossed for good weather, the Ham & Yam committee is excited about this year's event.

Attached you will find the registration form for the 2019 Ham & Yam Festival. I encourage you to complete and return the application as soon as possible. As with every event, our space is limited. Due to the extreme generosity of our corporate sponsors, our booth fees have remained among the lowest in the region. The Ham & Yam Festival continues to boast high attendance, and we anticipate 2019 being a great year as well!

The "early bird" deadline for vendor applications is Thursday, February 28, 2019, and prices will increase after that. I encourage you to send in your registration and money as soon as possible. We are limiting the number of booths to 175 and will not accept any more registrants once this number is met.

Thank you for your consideration and we look forward to working with you to produce a memorable event.

Sincerely,

*Sarah Edwards*

## Craft Vendors & Demonstrators: General Rules

1. Please provide a clear and accurate description of your products on the first page of this application.
2. Submission of an application does not guarantee a booth.
3. Submission of this vendor application is a contract to show and an agreement to abide by the rules set forth. Set-up procedures, including space assignments, will be emailed prior to the festival.
4. Festival directors cannot guarantee that other vendors will not duplicate the type of crafts or items being sold.
5. Each booth space will measure approximately 12' (wide) x 10' (deep). This space extends out from curb. Spaces are numbered and marked on the street.
6. Each exhibitor must supply his or her own table(s), chair(s), drop cords, and canopies as needed or desired.
7. On Saturday, all booths are **required** to stay open from 9 am until 6 pm, even if all items are sold. Please do not dismantle your booth until the festival closes!
8. During set-up, unload your vehicle at your space, park your vehicle in a designated lot, then return to set up your booth. Do not leave your vehicle parked on the street while you set up, as this blocks the vendors behind you who are trying to set up. All vehicles must be out of the festival area by 8:30 a.m.
9. Due to the size of the Ham & Yam Festival, both in number of participants and facility needs, along with contractual arrangements, it is impossible to schedule a rain date or alternative indoor site. The festival will, therefore, run on the slated dates regardless of weather. As the festival is a non-profit event, with all revenues being used to cover event costs and advertisement, registration fees are non-refundable. As a convenience to our vendors, we do offer a rain insurance policy. See below for more information.
10. No flea market or yard sale items may be sold. The sale of silly string, ink dyes, stink spray, and stun guns is prohibited.
11. Each vendor is responsible for the security and safety within his or her own booth space. The festival does have overnight security, but you will be responsible for securing your booth and merchandise during operating hours.
12. **There will be absolutely no drink sales or drink give-a-ways at any craft booth unless they were purchased through the DSDC.** Coca-Cola is our official drink sponsor for the festival, therefore all drink sales for the entire festival go through the DSDC. **If anyone is caught selling drinks without DSDC permission, you will be asked to leave immediately. This includes water.**
13. Festival directors reserve the right to refuse admittance to anyone whose work is deemed offensive or of questionable taste.
14. Under no circumstances may vendors alter or tamper with the electrical outlets or panels provided. In the event that a vendor does alter or tamper with the electrical outlets or panels, the vendor will be assessed a \$500 tampering fee.
15. Each vendor conducting sales must prominently display their valid certificate of registration from the North Carolina Department of Revenue. For more information, please visit <http://www.dornrc.com>.
16. Each exhibitor is responsible to collect and report sales tax. Remit to:

Sales & Use Tax Division  
NC Department of Revenue  
PO Box 25000  
Raleigh, NC 27640

***NO EXCEPTIONS!***

## 2019 Ham & Yam Festival Rain Insurance Policy

For \$25 per booth space, you can participate in the Ham & Yam Rain Insurance Policy. If it rains ¼-inch between 9:00 a.m. and 3:00 p.m. on Saturday, May 4, 2019, and you prepaid for the insurance policy when your booth application was made, you will be entitled to a full refund of your booth rental fee. An official reading will take place at 3:01 p.m.; however due to insurance regulations, the US Weather Service must certify the reading. Should it rain ¼ inch or more, refunds will not be given the day of the event, but will be mailed out the following week. The refund is for only the booth rental and does not include refunding the \$25 insurance premium. **In order to purchase rain insurance, your application must be received by Friday, April 12.**
